

## *Check Out Forest Hill*

Most can remember when Forest Hill was a quaint village, populated by small business and friendly neighbours. While many of those original shops may no longer be around, you'll still find the same old-time charm and community feel throughout the area.

Delicious restaurants, specialty shops, and some of the most excellent schools in Toronto. Have a day to check out Forest Hill? Treat yourself to the following...

- ✓ **Forest Hill Village** - The shopping highlight of Forest Hill, lined with shops, restaurants, and services tucked away north of St. Clair Street. You can get here by car, with convenient parking options, or by transit – because a bus runs right through the area.
- ✓ **Suydam Park** - Right next door to Forest Hill Village sits Suydam Park, featuring “musical picnics” every Saturday afternoon (from 1 – 3pm, June to September, weather permitting).
- ✓ **Pizza Banfi** - Need to grab a bite? This is a fantastic Italian restaurant, with pizza, pasta, and salads galore.
- ✓ **Upper Canada College** - One of the highlights of the area for young families, this is a renowned private school for boys.
- ✓ **Bishop Strachan School** - On the other hand, this is one of the best private schools for girls in Midtown Toronto.
- ✓ **Oriole Park** - Another picturesque park amidst Forest Hill's plethora of green spaces. You'll find a baseball diamond, loads of green space and benches, along with a nice playground on the east side.
